7. substitute for last sentence:

A lu lu Gouth, Cuerrilla forces that include a large number of non-Somali ethnics, especially the southern Galla who have a long history of resistance to central government control, are attempting to gain control of parts of Bale and Sidamo provinces not a part of the Ogaden. Mogadiscio may be planning to use this territory as a bargaining chip, should Addis Ababa attempt to mount a counter-attack into the Ogaden. Sometime laces.
